GREAT IMPROVEMENT IN DENTISTRY.

The attention of the public is called to a great discovery in Dentistry.
THE GREATEST ADVANCE STEP EVER MADE IN THE ART.

The main difficulty in wearing artificial teeth is, they do not hold in their place firmly enough, and add to this the annoyance of food getting under the plate while eating. I have discovered a method of so constructing the plate on which the teeth are set that they will not start or drop while eating or speaking, neither will any particles of food get under the plate, no matter what the condition of the mouth is, which is not true of any method hitherto used.

I have secured Letters Patent for the United States, England and France.

The improvement is not in material, but in the construction, which cures the atmospheric pressure on the entire plate.

I have sold the exclusive of said improvement to Dr. L. Gilman, to wit, the Counties of Franklin, Washington, Chittenden, Lamotte and Grand Isle. Those wishing to avail themselves of such improvement, will call on

The Vox Humana Tremolo Crowning Improvement, In addition to the PATENT HARMONIC ATTACHMENT and

PATENT VOX HUMANA TREMOLO This most wonderful and beautiful addition to the Cottage Organ is acknowledged by leading musical characters in the country to be the *ne plus ultra* of all improvements on reed instruments.

THE FIRST PREMIUM
Was awarded to this instrument at the New York State Fair and the Fair of the New England States, Vermont State Fair, Missouri State Fair, and Iowa State Fair, over all other instruments, including Mason & Hamlin's Cabinet Organs, Smith's American Organ, and Taylor & Farley's. It is very important that purchasers bear in mind that the original and genuine Cottage Organ is made by the House of J. ESTEY & Co., only.

The chief points of superiority are patented by them, and of course are found on the instruments of no other maker.

The undersigned has made arrangements to furnish Pianos from any of the principal New York and Boston makers, on the most reasonable terms. Satisfaction guaranteed in all cases. Send for an illustrated circular. Address
